education

Cal State University, Northridge

August 2013 – May 2019

Major: Art

Focus: Graphic Design

experience

Portal A, Los Angeles

Designer

May 2021 – Present

Currently a Designer at Portal A, I have had the pleasure of building upon brand identities to create visual design systems for various digital platforms for companies such as Lenovo Legion, Google, and Target.

The Walt Disney Company, Burbank

Graphic Design & Illustration Intern

(Creative Learning Services)

June 2019 – April 2020

As a Graphic Design and Illustration intern for Creative Learning Services, I connected with internal partners and clients as a creative consultant across The Walt Disney Company such as Walt Disney Imagineering and Tokyo Disney Resort. The projects that I have worked on were focused on the creation and maintenance of learning and development based collateral through visual branding, illustration, and marketing material.

IntersectLA, Northridge

Project Lead, Visual Designer,

Social Media Coordinator

September 2017 – May 2019

Alongside other students and faculty members, I was able to create appealing and responsive websites, digital and print designs, and overall branding for a wide range of companies. Working in a professional, collaborative environment, I have led a variety of projects, allowing me to provide creative and constructive feedback in a team setting.

freelance work

Greater Los Angeles Area

Visual Designer & Illustrator

May 2020 – Present

As a freelance Visual Designer and Illustrator, I have had the great opportunity to work with a variety of brands such as And Rising, The LA Times, RossMadrid, and Tribe to Tribe.
